Minden Municipal COUNCIL

The inaugural meeting of the Anson, Hindon and Minden Council met on January 11, 1954 with all members present and taking their declaration of office.

Rev. R. Woolley opened the meeting with reading of scripture and prayer.

The clerk acting as chairman called on the members of council for a few remarks which they all responded by outlining things for the benefit of the municipality.

The following resolutions were then passed.

That correspondence be filed for future reference.

That Wallace Crofts be notified that since road has been surveyed across his property that a deed be given the municipality.

That Alex Hewitt be a committee to negotiate with Ed. Harrison for a piece of property on Peterson for a dump and that a deed be given for same.

That the Fire Chief be instructed to inspect the Bowling Alley at Carnarvon and report on conditions as to fire hazards, exits, etc. and instruct the owners to bring same up to standard within a limited time.

That township road overseer be instructed to place two signs on each side of concession four, west from highway above Gaynor's Hill, said signs to be 100 ft. from highway.

That the Municipality loan the Recreation Centre \$500. to pay the insurance for the present.

That a letter be forwarded to the Premier of Ontario and the District Engineer appealing for a larger subsidy on road expenditures in the municipality.

That the amount of \$14.27 be written off as arrears of taxes, which constitutes exchange and postage.

That the clerk be instructed to write the Resident Engineer requesting to have entrance onto Highway No. 35 at South of the village improved as it is very confusing at present and also the blinker light be installed at Highway opposite the Hydro Office.

That we petition the Department for balance of Statutory Grant as spent under By-Law 179 for the provisions of the Highway Improvement Act.

By-Laws Nos. 214, 215 and 216 were read a first, second and third time and finally passed as being:

By-Law 214 for the improvement and construction of road, for \$30,000.

By-Law 215 as a borrowing By-Law.

By-Law 216 appointing F. H. Brooks as weed inspector.

That following accounts be paid.

N. Archer for dump \$25.00, Relief Account \$60.02, Registry Office \$26.90, Hewitt's Chev. & Olds. Fire Dept. \$61.35.

That Council adjourn until called by Reeve.

Industrial Arts Teachers Hold Meeting

The first meeting of the Oshawa-Peterboro Region of Industrial Arts Teachers was held on Saturday, Jan. 23 in Peterboro and Lakefield. Present from Haliburton County were Charles Hadley, Robert Herlihey, and Clifford Godwin, all from Minden. Other schools represented were Newmarket, Pickering, Uxbridge, Whitby, Oshawa, Bowmanville, Norwood, Peterboro, Port Perry, Blackstock and Lakefield.

Meeting at the Johnson Motors factory at 10 a.m., the group made a conducted tour of the factory. Here the teachers were shown the various operations in the manufacture of the Johnson outboard motor, the Johnson Iron Horse and Lawn Boy power lawn mower.

Following dinner at the Grand Hotel the group motored to Lakefield for their business meeting and a visit to the new Lakefield District High School. Special interest was taken in the new shop. This shop is at present set up for drafting, woodwork, and sheet metal work. General metal work will be added at a later date.

The executive for the group for this year are as follows: President, Mr. John Jefferd of Port Perry High School; Vice President Mr. Robert Herlihey of Haliburton County District High School; Sec. Treas., Mr. Donald Rintoul of Lakefield District High School.

At the business meeting plans were made for the O. E. A. Industrial Arts Section of the programme to be held at Easter in Toronto. — A lively discussion on the

Haliburton Red Cross Committee

The Red Cross Serving Committee under the direction of Mrs. Boyd Austin met on Friday in the committee room at the nurses' residence to repair hospital garments and sheets and those present enjoyed the afternoon in the pleasant work.

Mrs. Boyd Austin, Mrs. Caskey, Mrs. Elwood Austin, Mrs. Winnett Austin, Mrs. G. M. Yarnold, Mrs. W. Kellett, Mrs. Russell Burke, Mrs. Harold Hill, Mrs. W. E. Arnberg were present. Mrs. Alfred Sisson offered to assist and some sewing was sent to her home.

Friday, January 29th - is the night of the Red Cross Outpost Hospital annual meeting, all who can possibly attend are invited to do so. The meeting will be in the committee room at the nurses' residence at 8 o'clock and by your presence it will help to keep the Red Cross flag flying in your district.

St. Paul's WA

On Tuesday, January 19, the ladies of St. Paul's W.A. held their annual meeting at the home of Mrs. Walter Welch.

Mrs. John Hewitt, the president opened the meeting with a short devotional service after which Rev. Ross Woolley conducted the renewal of membership.

Several matters of business were discussed and approved and gratifying annual reports were heard.

Mr. Woolley closed the meeting with prayer after which the hostess, assisted by Mrs. Jim Graham served a delicious lunch.

Kills Huge Bear With Axe

Minden — While Stanley Coulter, Irvine McKelvey & Howard Lee were cutting logs on Frank Taylor's property on Twelve-Mile-Lake last Thursday, they noticed an old bear den, a large hollow log where, a couple of years ago a bear had been killed.

Curiosity got the better of the men, so they decided to see if it was occupied again. They cleared away the snow from the end of the log and Stan Coulter lit a match and looked in. The digging had disturbed a bear which was occupying the den and when Stan peered in with the match, the bear growled and blew the match out.

One of the men started for his home just a short distance away, to get a gun, but bruin got curious and poked his head out and that was his undoing. Irvine McKelvey, who was standing close to the entrance of the den happened to have his axe with him and when the bear's head appeared, Irvine conked him so hard that he killed it.

It was wedged into the den so tightly that it required a team of horses to haul him out. He weighed over 400 pounds.

Bruin's head now adorns the truck the boys use to

Reg. Hanscombe, Pres. of ATRO

According to statistics 45 p. c. of the tourists coming to Canada, holiday in Ont.

The organization which plays a tremendous part in developing this ever growing industry is A.T.R.O., which means Association Tourist's Resorts of Ontario. The above organization have been holding their annual convention in Toronto and when the officers were chosen for the coming year the Highlands of Haliburton was not overlooked. Reg. Hanscombe of Deer Lodge is the new president, while the secretary is Ray Arntfield of Holiday Inn. Mervin Robertson of Wig-A-Mog Inn was elected to the board of directors. — If the others selected for the various offices of this association are of the same calibre as those mentioned above A.T.R.O. will be a real live going concern.

Others noticed at the above sessions were: Mr. and Mrs. Fred Jones of Drag Lake Lodge; Mr. and Mrs. Ken Banton of Kenmare Lodge; Mr. and Mrs. Bruce Henry of Halimar Lodge and Mr. and Mrs. A. D. MacNab of The Red Umbrella Inn.

Hugh E. Trumbull Passes

Mr. Hugh Edward Trumbull, who had been ill for some time passed away on Tuesday, January 19th, 1954 in Little Britain. Deceased, who was the son of the late Mr. and Mrs. William Trumbull was in his 53rd year.

He is survived by two brothers and two sisters. — Funeral services were held from St. Paul's Church on Friday afternoon with interment in Minden Cemetery.

Receives Painting of High School

Haliburton — The editor of the Echo was very pleased to receive a painting of the new High School executed by Mr. F. Ellis of Dividale Military Hospital in Toronto. It was painted from a photograph sent to Mr. Ed. Shier formerly of Minden, but now a patient in the same hospital.

In a letter accompanying the painting, Mr. Ellis said it was his first attempt but he made quite a remarkable painting and we are pleased to have it hang in our office where anyone may see it.

We are greatly indebted to Mr. Shier for having the picture painted. Ed, as he is familiarly known throughout the county, had the misfortune to break his hip some years ago and has been confined to hospital since that time.

United Church IDK

The January meeting of the I.D.K. was held at the home of Mrs. Gordon Reynolds.

The meeting was brought to order by the president, Mrs. Boyd Austin with 20 members answering the roll call.

A hymn, "The Church in the Wildwood," was sung followed by the scripture read by Mrs. L. Brown.

The reading was taken from Revelation 21. The minutes of the last meeting were read, followed by the collection. The membership fees were then taken up for this year.

In the business it was decided to get a price on both cleaning and dyeing the church drapes. It was decided to get an order for Stanley Products and send it in after the next meeting. There was a committee appointed to arrange a Valentine party to take place on Feb. 13 at 3 p.m. in the Legion Hall.

Mrs. Alvin Walling was appointed to go on the Sick and Visiting Committee with Mrs. J. Green. It was also decided to send Mrs. Jos. Blair a gift upon leaving us.

The next meeting will be held at the home of Mrs. George Wheeler.

The business was brought to a close with the Mispah Benediction.

A social half hour followed.

Minden Home and School

The Minden Home and School Assoc. held their monthly meeting, Wednesday, Jan. 20th, at Minden Public School.

Mrs. William Moore was in charge of the meeting in the absence of the President Mrs. Lorne Dawson. — The meeting opened with "O Canada" after which several matters of business were discussed.

Mrs. Robert Herlihey introduced the guest speaker the Rev. Henry Vaclavik — who gave a very interesting address on Art. The principal Mr. Harold Morgan sketched briefly the modern methods of teaching School Art.

BLOWN-UP WORLD

King Solomon had a lot to say about wisdom, and whenever he used the word, he was pretty apt to tack on another one, not quite a synonym but almost-understanding.

"Wisdom is the principal thing", he wrote, "therefore get wisdom; and with all thy getting, get understanding".

One day some time ago an advertising novelty came to our desk. It was a rubber balloon, deflated and flat. With it was a notched cardboard base. The instructions said to blow up the balloon to about a foot in diameter, twist the neck and tuck the twist into the notch.

When we did so we had a handsome globe. All the countries were there, all the oceans and seas. It was pretty and useful so we set it on a shelf.

Two or three days later, however, we noticed that the world did not seem as large as it once did. It was slowly shrinking. And when we came in on Monday morning, we found that over the weekend it had shrunk to the size of an orange. However, the countries were still there, so were the oceans and seas. Everything was the same, except that the countries were closer together.

We blew up the balloon again, and with every puff, the countries kept getting farther apart, until all of a sudden—bang—the world blew up right in our face. The countries had gotten too far apart.

Are the countries being drawn closer together as in our shrinking balloon? Are the statesmen and world leaders striving to bring the nations of the world together, so that there will be harmony and goodwill instead of fear and discord?

Are we becoming a closer knit world community, or are we growing so far apart that we will explode?

You have your own answer, it's probably about the same as ours, though we do not consider the situation as hopeless. We still believe that kindness, wisdom, understanding and goodwill will prevail in the end and that all will be well.

THE KIDDIES CORNER

MR. MAN IN THE MOON TO THE RESCUE.

When Mr. Man in The Moon had first discovered the fairies' plight, he had been very, very sad. He just hadn't been able to understand why his good friends, the fairies, had not turned to him in this, their hour of great need. Why, hadn't they known that he, Mr. Man in The Moon, knew every inch of the good earth's surface? I just guess he should. He hadn't been sitting up there on his golden throne ever since the very beginning of time without having learned all about dear Mother Earth. But, because Mr. Man in The Moon is such a good, kind and understanding person, he set his own feelings to one side. What, he wondered, would I myself do if, without warning, I, as were the fairies, should be driven from this, my own world? Pretty soon Mr. Man in The Moon was scratching his head. He just wasn't prepared to answer that question. Guess he, as had been the little fairies, just wouldn't be too able to think. Certainly, he wouldn't be able to think too clearly. It didn't take Mr. Man in The Moon very long to see how very wrong it would be to blame the poor little fairies for their failure to turn to him in their hour of need. No, indeed. Right away Mr. Man in The Moon was able to understand and right away he was going to do something about the matter. And, had it not been for their dear, kind friend Mr. Man in The Moon, I really don't know what would have become of the little fairies, really I don't.

As Mr. Man in The Moon gazed down upon his little friends, the fairies, he wondered just how, and in what manner, he could send them a message. He simply had to find some way of letting them know that they were now safe and at the end of their journey. They looked so peaceful lying there beneath the o'erhanging branches of the friendly Maples. He hated so to disturb any of his little sleeping friends but what else was there for him to do? He'd have to see one, if not all, of the leaders. There just wasn't any other way.

Calling to a nearby assistant, Mr. Man in The Moon said, "Would you be so kind as to take over my duties for awhile? I have a very important matter to which I must attend". The assistant said that he would be only too glad to be of service, and immediately Mr. Man in The Moon was relieved of his duties. Thanking the assistant, Mr. Man in The Moon sped swiftly away in the direction of his mansion, located in the valley below. Upon his arrival at his home, Mr. Man in The Moon hurried through the curtained doorway and into his private office which is called The Room of Records. Hastily he opened and took from a desk drawer a huge, gold covered book. Seating himself at the desk, Mr. Man in The Moon took up his golden pen and began to write something down on the snow white page before him. Closing and replacing the book, Mr. Man in The Moon rushed out of his mansion and before you or I could say "John Robinson" he had returned to, and was again seated upon his golden throne up there in the moon. He laughed merrily as he again looked down upon his little sleeping friends.

What, do you suppose, is our good friend, Mr. Man in The Moon up to? Well, if you are very good and you help Mommy with the work to-morrow, we'll turn to the next chapter of the book and read, "Igip Hears a Voice".

Lovingly, your author,
Dee Wyllette

It's Never Dull Up Here

The tourists from the city Who for a short time stay In our Haliburton playground Are often heard to say — What do you do all winter? It must be dull I fear. We give a little knowing smile — "It's never dull up here".

When the tourist season's over There is hunting for the men Service clubs are well attended For they now have time again. The Legion has its meetings In the local Legion Hall, The Red Cross has its work to do, Most interesting to all.

Bazaars and meetings for the church At which we all may share. The kiddies, women and the men Are all most welcome there. We have curling clubs and skating clubs, Fine hockey teams to play. Instructors teach the little ones So time just rolls away.

If you can spare an evening You can always see a show, People greet you as you stand in line They're all the folks you know. When it is Sunday morning The village church bells chime And those who have a way of life Pause for a little time.

And in our little country church Beloved by one and all, The busy moments fade away As on our knees we fall. So when the winter rolls around Tho' it may be cold and drear, With many friends and lots to do "It's never dull up here". Mavis Noice.

THE LIFE OF A LUMBERMAN

by George S. Thompson

So at Port Hope, George and I parted and I have never seen or heard any tidings of him since and I rather think he must have perished in the great fire that devastated the city of Chicago a few years later. If he is alive and should happen to read this book, I will be glad to hear from him.

I arrived in Peterborough one fine day in the month of August and I was directed to the Royal Oak Hotel, kept by a man named Wilson, an old pensioner, and after taking dinner, I boarded the Royal Mail Stage for Bobcaygeon, distance 24 miles from Peterborough.

George's brother had written him instructions as to the route. Of course he gave me the letter which I thought it best to use as a kind of credential, and so disarm any suspicion that might have arisen. In the letter, George was instructed on his arrival in Bobcaygeon to put up at Mr. Orr's Temperance House and if short of cash to show Mr. Orr the letter. On my arrival in Bobcaygeon I did as the letter directed and got a warm welcome from Mr. Orr. I found I would have to remain over for a day as there was only a tri-weekly stage to Minden, a distance of 30 miles. I spent a very pleasant day in Bobcaygeon. It is both a pretty and interesting village. Some of the best fishing in Canada is to be had there and the inhabitants are very sociable and kind-hearted.

I found Mr. Orr and his family very hospitable, a more honorable and sincere christian man than Mr. Orr never lived; he was of Scotch descent extremely sharp and canny, but strictly honest, though close in making a bargain. He had accumulated considerable wealth and at the time I am writing, was just laying the foundation of a large temperance house and store which he was having built of stone and up to date it is one of the largest and finest buildings in the county.

Mr. Orr did not live long after the building was completed, but I am certain he now occupies a much grander mansion in heaven.

Mr. Orr, on that first trip of mine, also on subsequent occasions, always gave me some good sound advice. A good many persons have been liberal in giving me advice and that is about the only thing I ever did get free. It costs the giver nothing and usually is worth less to the receiver. But Mr. Orr's advice was always above average quality and also extremely brief, perhaps, that was the reason I thought it so good.

I liked Peterborough and Bobcaygeon so well I was half inclined to go no further. Besides, the nearer I got to my adopted brother, the more doubts and misgivings arose in my mind as to how the course I was pursuing would end. I gleaned from Mr. Orr all the information about George's brother that he could tell me. He gave him a good name, said he was fairly well to do and a great "hustler". His wife, Mr. Orr said, was a good woman, and that I was going to a good home.

Next morning I boarded the stage for Minden. One of my fellow passengers was Mr. C. E. Stewart, the present proprietor and editor of the Bobcaygeon Independent Newspaper. A few years later M. W. Bro. Stewart assisted at my initiation into the Ancient Order of Free and Accepted Masons in Veralum Lodge, at a meeting held in the village of Bobcaygeon.

OBITUARY

NORMA N. SNIDER

The funeral of the late Mrs. Norma N. Snider, who passed away on the evening of Saturday, January 16, was held in the Haliburton United Church on Wednesday, January 20th. Despite the inclement weather citizens from all walks of life united with the members of the Women's Auxiliary of the Canadian Legion and L. O. B. A. 828 in paying final tribute to a beloved wife, mother, comrade and sister.

The Rev. Thomas Rutherford of the Haliburton United Church was in charge of the service. — The deceased was a member of the United Church. Mr. Rutherford was assisted by Comrade Myrtle Davies of the Women's Auxiliary, who read the scripture lesson and Sister Ruth Ward of the L.O.B.A. who offered prayer. The minister in his words of comfort to the bereaved family remarked as to how the sudden death of Mrs. Snider has left us stunned and that it should be a reminder of the uncertainty of life and that we should so set our house in order, that when death came we should be prepared to meet it. Mr. Rutherford paid tribute to the deceased for her assistance from time to time to the Ladies' organizations of the church, her interest in the L.O.B.A. and her work in the Women's Auxiliary of the Canadian Legion, remarking that the late Mrs. Snider was Treasurer of both these societies at the time of her demise.

At the conclusion of the service the remains were taken to Ingoldsby Cemetery for interment.

The many and beautiful floral offerings bore further testimony to the high regard in which the late Norma N. Snider was held by all who knew her.

Left with a beautiful memory are her sorrowing husband and one son Dennis of Haliburton, three step children, namely — Austin of Humber Summit; Mrs. C. McKinnon (Edna) and Mrs. S. J. Sayers (Alice) Toronto; a sister Mrs. H. Hopkins (Milly) of Kinmount and a brother Clifford of Toronto also survive.

Pallbearers were: Messrs. Harold Thayer, John A. Robertson, Thomas Carnochan, Bernard Davidson, Emil Neimann and Charles Wise.

Card of Thanks

Mere words are inadequate to express our heartfelt thanks and appreciation to our many friends, relatives and neighbors for kindness and sympathy shown us in the loss of a dear wife and mother, Mrs. Florence Sawyer.

We especially wish to thank Rev. M. J. Cathcart for his consoling words. The donors of all the beautiful floral offering, the pallbearers and Frank Welch for his kind, efficient service.

THE QUIET HOUR

by STUART C. WILSON

The following is an article written by Mr. Nathanael Olson and published by the Tract Club of America. I would pass the article along to you to-day for it is most applicable to our own day and age. It is entitled, "The Crowd May Be Wrong".

Adam Thompson of Cincinnati, Ohio, near the middle of the 18th Century, was the first American to fill a bathtub. Those who heard of it became alarmed. Doctors predicted rheumatism and inflammation of the lungs from such practice. Some American cities put a ban on bathtubs and even refused permission to do the new "bathtub exercise." But today a home is not complete without a bathtub or shower. The crowd was wrong.

England once had a law forbidding a vehicle from exceeding four miles an hour. This law was amended so that if anyone desired to travel this fast they were to have a person going before them with a red flag warning the people of the danger. But today we have transportation traveling at 100 times that speed. Once again the crowd was wrong.

Musicians and critics groaned and laughed at the music Richard Wagner wrote. But his compositions have transformed the music world. The crowd was wrong.

Westinghouse was called a fool for daring to think that he could stop a railroad train with wind. But now the Westinghouse air brakes are used the world over. The crowd was wrong.

"Fulton's Folly" was the name the crowd gave to that first steamboat. But to-day steamships like small cities sail the seven seas. The crowd was wrong.

Through tons of waste material Madame Curie sorted to get radium. "What is radium?" the crowd asked laughingly. Today it is a valuable asset in fighting disease. The laughing crowd was wrong.

For eleven years Goodyear and his wife worked on vulcanizing rubber. Everyone laughed at Goodyear, but to-day, wherever rubber is named, you hear the name, Goodyear. The crowd was mistaken.

Publishers told Zane Grey that he had no writing ability. But today, many years after his death, his books are still being read. The crowd was wrong.

Could the crowds of today be wrong? In the desecration of the Lord's day, in the world's attitude to gain material things, could not the crowd be wrong?

Friend, you are one of the crowd could you be wrong? Tell me, what is your attitude toward a loving God and the claims of His Son upon your life? Tell me, what is your attitude toward the forgiveness of your sins against a Holy God and an eternal life He offers to you here and now. Think of God's amazing gift: "The wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord" (Romans 6:23). Have more wonderful words ever fallen upon human ears than these: "For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life" (John 3:16).

You can be wrong, and the crowd can be wrong, about many things in the world but you dare not be wrong about Christ. Through faith in Him you can be saved just now where you are and as you are. Your sins can be forgiven and the peace of God can flood your heart and soul: "As many as received Him, to them gave He power to become the sons of God, even to them that believe on His name" (John 1:12).

Much of the crowd today mistakes religion for salvation through Christ. The heathen have religion but are lost. Salvation, pure, complete and eternal, is through Jesus Christ, God's Son: "He that believeth on the Son hath everlasting life: and he that believeth not the Son shall not see life; but the wrath of God abideth on him" (John 3:36).

Are you going to choose to follow the crowd and be wrong, or are you going to choose God's Son and be right?

Minden Red Cross

At the annual meeting of the Minden Red Cross held last Friday evening in St. Paul's Parish Hall, Dr. W. R. Park, President of the Leaside Branch of the Canadian Red Cross, was the guest speaker.

Introduced by President A. Stouffer, Dr. Park gave a very enlightening talk on the work of the Red Cross in an Urban Centre. In regard to the work of the Red Cross Work rooms, he stated that 6,000 articles were turned out each year.

Another important aspect of their work is the Blood Donor Service. During the war, this service held clinics three times a week with an attendance at each clinic of 150 donors.

Also the Red Cross have visiting teams of volunteers who visit patients in Sunnybrook Hospital, writing letters, carrying messages, and even doing shopping for patients who are incapacitated. Dr. Park mentioned too, the helpers at the Red Cross Lodge, which is run in conjunction with Sunnybrook. Here, up-patients may meet friends and relatives in a home-like atmosphere. This Lodge has overnight accommodation for out of town visitors as well.

At Divadale, the home for older veterans, the helpers do library work, reading, mending, sewing, and occasionally put on some kind of entertainment for the patients.

The Red Cross offers a home nursing course every year and usually has from 16 to 18 applicants. They also have First Aid Courses from time to time.

Dr. Park stated that their loan cupboard was operated in conjunction with the Toronto Branch. They are in charge of Civilian Relief and operate a Red Cross car for the convenience of the Welfare Worker.

One of the members established a Disaster Relief Programme in which all services would be co-ordinated with a responsible person in charge, should disaster strike.

He stated that all their appeals at the present time were carried on through the Employees Welfare Chest.

In conclusion Dr. Park offered a note of encouragement to the Local Branch in that at some not too future date he hoped that an Outpost Hospital would be established in Minden.

Mr. C. McInnerney thanked the speaker for his informative talk, after which Mr. Harold Morgan showed a film entitled "Alcohol and the Human Body".

Delicious refreshments were served by the Nutrition Committee.

The Executive for the year 1954 is as follows, with chairmen of the various Committees to be appointed by the executive.

President — Dr. Agnes Jamieson;
1st Vice-President — Mr. Dalton;
2nd Vice President — Mr. Joseph Dollo;
Secretary — Mr. C. McInnerney;
Treasurer — Mr. O. Struthers
Rep. to Council — Mrs. R. Kirkwood.
Directors — Mrs. L. Coburn, Mr. J. M. Irwin, Mr. A. Stouffer.

United Church W. A. Meeting

The first meeting for the year 1954 of the W. A., Haliburton United Church, was entertained at the Parsonage with a large attendance. The President Mrs. Chester Kellett presided assisted by her new secretary Mrs. Melville McKnight and new Treasurer Mrs. Wesley Baker.

The meeting was opened by singing the theme song "Let The Beauty Of Jesus Be Seen In Me" and devotions were ably conducted by Mrs. Jack Robertson assisted by Mrs. Walter Kellett. Theme for year is—Reach out and make Thy Ministry complete and suggestions were offered for the new year by giving God His way with us through sincere worship in the Lord's House, through prayer and regular Bible reading and meditation.

The worship service concluded with the following verse: —
"We live in deeds, not years; in thoughts, not breath;
In feelings, not in figure on the dial.
We should count time by heart throbs when they beat
For God, for man, for duty. He most lives
Who thinks most, feels noblest, acts the best".

P. J. Bailey
A moment of silent prayer was observed in memory of the late Mrs. R. Snider.

Tribute was paid both the retiring secretary Mrs. J. Robertson and Treasurer Mrs. Gilbert Windsor for their untiring efforts during their long terms of office.

The Society decided to send a large contribution to the Canadian March of Dimes Club for aid in helping Polio victims.

Reports from the Treasurer of the W. A. and convenors of sewing, cheer and Parsonage committees were presented and proved exceptionally gratifying for the past year's work.

Mrs. Russell Johnston kindly invited the ladies to meet at her home for the February meeting.

Refreshments served by Mrs. Arnold Roberts, Mrs. Gilbert Windsor, Mrs. G. Yarnold, assisting the hostess Mrs. T. Rutherford, brought a very happy and profitable evening to a close.

Rev. Robert H. Harper
Doing the Works of God (Temperance).
Lesson for January 31: John 3: 2-3, 7-18.
Golden Text: John 10: 10.

The first two verses of the lesson text tell of the pool that stirred at times by a bubbling up of its water. The people believed the bubbling was caused by an angel, and that the first to get into the pool would be healed.

Lying at the pool was a poor afflicted fellow who had suffered some dread malady for thirty-eight years and who had never been able to be the first to step into the pool after the bubbling of the water. When Jesus saw the man and asked him if he desired to be healed, the poor fellow told of his failure to get into the pool. Then Jesus said to him, "Arise, take up thy bed, and walk." And at once the man rejoiced to find that he could obey. He took up his bed and walked.

The story indicates that the man had come into his sad condition because of his own sins. Perhaps an evil disease had laid hold of him because of his vices. While the book of Job teaches us that suffering is not necessarily a result and an evidence of guilt, we can but believe that many diseases are directly the penalty of sin.

Let us see that temperate, sane living is a good insurance of health and happiness. There is much truth in the Japanese proverb, "A noble soul dwells in a strong body." Rightly provided for, the body will be the dwelling place of all good things, the fit habitation of God himself. But abused and broken by sin, the poor old body will become the dwelling of despair.

OBITUARY

MRS. DAVID MACDUFF

It was with regret that we learned of the passing of Mrs. David MacDuff (Charlotte Dovell), at the General Hospital in Toronto on Wednesday afternoon.

Mrs. MacDuff was one of our finest citizens & words fail to do homage to her noble character.

She was 56 years of age and leaves to mourn the loss of a beloved one, her husband, and family Lester Billings (Violet) of Burnt River, Mrs. Mitchell Raby (Charlotte — sister) of Lindsay, Mrs. Wm. Hunter, Marjorie and Marie of Gooderham; also Preston of Tory Hill and George, Kenneth and Elgin of the village; also there are sisters and brothers: Annie, Emma, Albert and Charlie of Saskatchewan and Will, Mrs. Susan Madill, Mrs. F. White (Pearl), Mrs. Fred MacDuff (Nell) and Thomas of Gooderham. Many grandchildren, nieces and nephews will miss her friendly smile and pleasant voice.

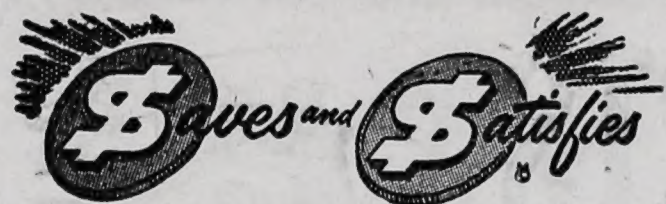

The funeral was held from the United Church on Saturday afternoon to Gooderham Cemetery. Flowers showed the high regard in which she was held. Pallbearers were relatives.

Rev. Rutherford in his comforting message spoke from the familiar John, 14 Chapter. "What A Friend We Have In Jesus" was sung. Mrs. Blair Hanthorn was the pianist.

The funeral was attended by many from a distance. Sincere sympathy is extended to the family in their recent bereavement.

PEN PICTURES OF PARLIAMENT

by CLAYTON W. HODGSON, M.P.

Since my last weekly letter another of our esteemed members of Parliament has passed to the Great Beyond—Chas. D. Coyle, Progressive Conservative member for Elgin constituency. This makes four vacancies in the House of Commons since the general election of August 10, 1953. Another Conservative senator died, reducing the Conservative opposition to seven in that chamber of Parliament.

Increase on postage was being debated, and on Wednesday, Jan. 20 Mr. Fulton moved a motion that the report by the accountants of Woods and Gordon Co., be produced and made available to members of Parliament.

The motion read as follows: "Order of the House For a copy of the report of the Civil Service Commission on the method of keeping records and issuing stock in the Post Office Department, and referred to in the report of J. D. Wood and Gordon."

—Portrait, Bright's Studio, Lindsay.

This motion was voted against by every Liberal member to keep reports that are not complimentary to the Government a secret and hidden from the members of Parliament and the people of Canada.

This is ont new or un-

usual as the Government at Ottawa has been doing this for a number of years. In 1949 the Minister of Justice kept the report on the flour milling combines hidden for 10 months until the general election of that date was over.

Bill No. 2 to amend the Housing Act has been before Parliament and the debate on second reading lasted two days. Donald Fleming, Prog. Cons. member from Toronto, led the debate for the official opposition. About 40,000 houses were started in 1953; 30,000 were finished and 10,000 were under construction at the end of the year. Houses in Canada have an average occupancy of 4.6—this means that the 30,000 houses built in 1953 will make homes for approximately 122,000 persons.

The Hon. Ross Macdonald, who was appointed leader of the senate at the opening of parliament, has received an extra plum, having been given the portfolio of solicitor-general. This makes him a full fledged member of the cabinet. Some of the Liberal members who would like such a promotion, are not very well pleased with this new departure in Government appointments.

Homes in Canada with electricity reached 3,335,000, over 91 percent. Much of this increase was caused by the tremendous Hydro development in the Province of Ontario.

COUNTY SPORTS

Loose Ends from the Sports Editor's Desk

In looking over some of the back issues of our paper we came across the March 5th edition of last year. On the front page we noticed the heading "Sutton no match for rampaging Huskies". And we quote the opening paragraph from that write up, "With a crowd of nearly 1,000, the largest of the season, the rampaging Haliburton Huskies completely overwhelmed the Sutton Greenshirts by the score of 14 to 5 at the Haliburton Arena on Wednesday night. Come Saturday, Feb. the 6th, which isn't too far off, the same Sutton Green Shirts will be back at the Haliburton Arena. For the Huskies and their supporters they hope for a repetition of last season's game. And for the crowd we all hope and can be quite sure that the arena will be jammed to capacity. For weeks now everyone has been asking when are the Sutton Greenshirts coming? Sutton will be here a week from this Saturday night, so keep this date in mind. This is one Tri-County Hockey League game that you can't afford to miss! See you there.

Get out and support Minor Hockey in your community.

The Minden Monarchs, who are always hard to beat on their home ice pulled out with a tie against the Bracebridge Bears at the Minden Recreation Centre on Thursday night last. The star of the game was young George Nicholls who pulled the hat trick with three goals and was a driving force to the club throughout the contest. This game goes to prove that the Bracebridge Bears can be beaten and that the Minden Monarchs can do it.

Keeping right on here with the O.H.A. Muskoka League we find that the Sundridge Beavers defeated the Bracebridge Bears for the second straight time by the score of 7 to 4. Three fast goals by the Sundridge Club in the last 20 minutes of play won the game for Sundridge.

Coach George Abbott of the Haliburton Huskies hopes that his club will get back in their winning ways after losing three games in a row a week ago.

The Haliburton Figure Skating Club are preparing for their annual skating club carnival and it should be a great one this year.

The Haliburton Pee Wees will travel to Minden next Tuesday night, Jan. 26th, to meet the Minden Pee Wees in a H.M.H.L. contest. On Thursday night, Jan. 28th, the Minden Pee Wees will play the Wilberforce Pee Wees and the Minden Midgets will take on the Wilberforce midgets. These two games will be played at the Monmouth Community Centre. Don't miss these games and back up Minor Hockey, the players who will be the big stars of to-morrow.

The Woodville Maroons are still coasting along in first place in the Tri - County Hockey League. You'll see them in Haliburton on Saturday, February the 13th.

The West Guilford hockey club are really rolling this year and at the present time are out in front in the Little N.H.L. hockey league. The West Guilford club are undefeated this season and have knocked off every club in the league Haliburton, Gooderham and Wilberforce. The way that this team is going, there is a good chance that they won't be beaten this season.

The game that the hockey fans have been waiting to see is coming up this Thursday night, Jan. the 28th — when Bucko MacDonald brings his ever popular Sundridge Beavers down to the Minden Recreation Centre to tangle in a regular scheduled O.H.A. game. Bucko's Beavers have been out of this league for the past two seasons but they are back and with quite an array of great hockey players. They have been winning games right along and the Minden Monarchs know this is the team that they have to beat. And come next Thursday night Perc. Nicholls & Co. will be out there giving their all to bring Minden a victory. The Monarchs have three more home games before the regular schedule draws to a close.

HERE AND THERE. Many good hockey players are coming up through the Junior and Minor Hockey ranks in Haliburton. Don't forget there is Bingo every Wednesday night in the Haliburton Community Hall, sponsored by the Huskies and all proceed are for Minor Hockey. West Guilford are leading the Little N.H.L. That's all for this week.

Can We Be This Bad?

The following write up is taken from Wils Boyers column in the Muskoka Herald and it tells of the rough house play of the Minden Juveniles.

Further on the hockey "brawls and battles" O.M.H.A. this time the Huntsville Forester has an editorial and a letter from Charlie Laforce to the editor of The Forester, on the subject of rough play. Charlie Laforce will be remembered by fans as a hard-driving, fiery player, who asked no quarter & gave none, but wasn't a dirty practitioner of the sport. He is now a coach of an O.H.M.A. team. Charlie has some interesting things to say about Minden's Juveniles and from the reports by those, who saw the Minden-Bracebridge game Saturday night at Minden, what he says is true. They are a rough, very crude and dirty team of youngsters. Huntsville has protested to the O.M.H.A. & on Saturday there was an accredited O.M.H.A. referee to handle the game. He warned each coach (at least warned the Bracebridge coach) — that any rough stuff & fighting would be match penalties. The locals tried to play a clean game but the Minden team wouldn't let them. Now the local Juveniles are not the cleanest bunch of hockey players in the league. They are rough and are not above giving an elbow here or a knee there. However I don't recall ever seeing one Bracebridge player hold an opponent while another Bracebridge player struck the opposing player. That happened at Minden to a Huntsville player. Ray McDermott was deliberately cross checked in Saturday's game, was patched up, came back and the same guy did the same thing over again. Apparently the Minden players were encouraged in their tactics Perhaps hockey officials are looking in the wrong direction to find out the cause of wild and woolly upheavals in hockey We wonder what would happen if there were no spectators to watch games. It seems that something definitely has to be done — and done soon — and it looks as if it will have to start at the bottom with the Pee Wees and Bantams.

Keswick vs. Huskies Sat. night

This Sat. night Keswick will make their first appearance of the season in Haliburton. — The Keswick club will be in town to meet Geo. Abbott and his Huskies in a regular scheduled O.R.H.A. contest. In their first meeting in Keswick the Huskies were the winners by a 5—0 score. It was the locals first shutout of the season. The Keswick club will be here to get this game back and to get in the running in the Tri-County league. It's Keswick vs. the Huskies at the Haliburton Community arena this Sat. night, Jan. 30th.

Minden Juveniles Nose Out Haliburton 4 to 3

Mark Vaseys Minden Juveniles nosed out a 4 to 3 victory over Lennie Salvatore's Juveniles in a regular scheduled H.M.H.L. contest played at the Haliburton Community Arena on Friday night last.

We might say here that the last time these 2 teams met it was the same old score with Minden winning 4 to 3. Right from the opening bell both teams started to play it hard but Referee S. Baker and Linesman David Chambers kept the game under control at all times. Five penalties were handed out in the contest. Bill Kellett and Buzz Hodgson got the gate for the losing Haliburton club while Hugh Vasey was off twice for the Minden squad and Lawrence Yearwood also received a penalty for Minden.

The Minden team got off to a 1 to 0 lead in the first period, they increased it to 3 to 1 at the end of the 2nd and it was 4 to 3 at the bell. Goal getters for the winners were Lawrence Yearwood 2, Bob Watson and Struthers 1 goal each. For the losing Haliburton club Bill Kellett Bobby Dart and Mervin Elstone each scored one goal apiece. The three star selection as picked by some of the local hockey brass were L. Yearwood and Struthers of Minden and Bill Kellett of Haliburton.

Both of these clubs are very evenly matched and put on a great game.

LaRue and Brohm Lead Pee Wees To Victory

The Haliburton Pee Wees had to go all out last Friday night in an effort to nose out a 5 to 4 win over the Wilberforce Pee Wees. Coach Ab LaRue has his boys really flying and should be a tough team to take for the marbles. Haliburton's first line of Jackie Brohm, Scottie LaRue and Paul Henderson were the big guns for the winners and all three played terrific hockey throughout the game. This young first string line play great hockey together and if they can keep them together up through the hockey ranks — they will be something to see when they hit Junior hockey. It's been a long time since Haliburton has had a line that came up from the bottom. While this line scored all five Haliburton goals they were being backed up by sensational netminding on the part of Dick Schell who looks like a coming Harry Lumley. With a shortage of netminders in the village it's nice to see a kid like Schell coming along.

The Haliburton second line of Peter Curry, Sparky Morrison and Richard Stinson are also playing good hockey although they didn't get in the scoring summary in this game. Coach Albert LaRue tells us that he is moving his second line up to take the place of the first line come next winter. The Haliburton defence of Stanley Consky, Larry Hussey and Ken Sawyer played good hockey along with Billy Bannan spare forward. — Goal getters for Haliburton were Scottie LaRue (2), Jackie Brohm (2) and Paul Henderson. For the losers O. Hunter (2), D. Selwood and L. Hunter.

Monarchs and Bears Tie

In one of the most sensational and thrilling games seen at the local ice palace in many a moon the Minden Monarchs and the Bracebridge Bears played to a 4-4 draw after ten minutes of overtime. From the opening whistle to the final bell play ranged from end to end as the good crowd roared its approval. Underdogs in the pregame predictions, the Monarchs came up with their best game of the year and made up for the two shellackings which the Bears had handed them in Bracebridge.

The first period was scoreless with both teams having good chances around the opposition's net but unable to finish off their plays due to the dogged checking. In the second canto George Nicholl opened the scoring for the Monarchs at 2.22 on a pass from Perc. Nicholl. — Reed tied it up at 7.50 on an unassisted goal. George Nicholl got his second counter at 14.41 with Perc. Nicholl again supplying the pass which put him in the clear. Less than a minute later he scored again on the most sensational goal of the game. Starting at his own blue line he stick-handled his way to the Bracebridge defence, shifted them out of position, roared in on the net and blazed one into the corner which Hook never saw.

In the third period the Monarchs held on until the middle of the period when a rash of penalties opened the gates for Bracebridge to tie it up. In the final minute Minden stormed the Bracebridge goal and put one in but the bell had sounded the end of regulation time two seconds before.

The overtime period was full of action as Bracebridge counted early and threatened to wrap it up two or three times. With less than two minutes to go Perc. Nicholl got a penalty for holding and Minden looked to be through. — But Borden Wheeler tied it up with 50 seconds remaining with a terrific shot which actually tore a hole in the net as the crowd went wild.

In the Goal Crease

Gartlan and Hook both came up with some great stops to save the day for both teams many a time. George Nicholl was the most sensational player on the ice as his three goals will testify. — Reed, Campbell and Ron Rowe stood out for the Bracebridge club. The Monarchs were checking their men better than they have all year. Richardson, Wheeler and Whitney were hard rocks on the Minden defence. — Watt and Shalla were out due to injuries. Watt hopes to play tonight but Shalla's shoulder is still bothering him. The refereeing was atrocious as some of the calls were out of this world. — The Minden Band will entertain between periods at tonight's game with Sundridge. The largest crowd of the season should be on hand for this one.

Huskies Trounce Beaverton 14 to 3

The Haliburton Huskies had nothing short of a good practice on Sat. night when they walked away with the Beaverton Hockey Club to the tune of 14 to 3 at the Haliburton Community Arena. Many of the 350 hockey fans who were at the game for the opening whistle were gone when the final bell sounded. — The lowly Beaverton team were no match for the Huskies and one wonders why the O. R. H. A. allow a weak team like this to be in the Tri-County group.

Al Blanchard had a very easy night of it in the Haliburton cage and he didn't have too much to do throughout the entire evening. — On the other hand the Beaverton team were minus three of their players, who remained at home after an argument they had with the management in a game played on the previous evening. It seems they had to sit on the bench and they didn't like it. In the high scoring hit parade on Sat. night K. Carnochan was the leading goal getter with four. Herb Baker had three, Jim Henry and Curry Bishop collected two apiece and Joe Iles, M. Schell and Stuart Baker had one goal each.

The Huskies took a 5-1 lead in the first period and a 10-1 lead at the end of the second and the game ended 14 to 3. If the Huskies had really turned on the heat they could have scored 25 goals. Some of the local fans were quite peeved when they had to look at a game like this. But may we remind one and all that you can't blame the Huskies or the management for this. They have to play these games and they have no idea just how good or how bad a team may be before they show on Haliburton ice.

This Sat. night Keswick will be the visitors on Haliburton ice. Game time is 9 p. m.

Carl Hussey and his rink are the 1953 curling champions. They earned this honor on Sunday afternoon when they downed Jack Lyons' rink by the score of 9 to 3. This final game could not be played last year as the ice was too soft. They were tied at one game apiece before Sunday and it was a very important game to win. The following is a list of the 2 teams:

1. Carl Hussey, Skip;
Glen Austin, Vice Skip;
Leonard Salvatori, Second
Jerry Drake, Lead.
2. Jack Lyons, Skip;

BRILLIANT PANEL DISCUSSION ON CITIZENSHIP SPARKS KEEN INTEREST AT DYSSART HOME AND SCHOOL MEETING

The regular January meeting of the Dysart Home and School Assoc. was held in the Haliburton High School on Monday January 18th, with Vice-President Bill Emmerson presiding.

The meeting opened with "O Canada" followed by the opening prayer by Rev. T. Rutherford, and the Home and School Creed was read in unison. After the reading and approval of the November minutes the roll call was taken showing Haliburton 28, Eagle Lake 0, West Guilford 2 and Donald 3. Mr. Emmerson conveyed the regrets of the president for her unavoidable absence, and announced that the vacancies on the executive were filled by the appointment of Mrs. Mildred Sproat and Mrs. Bert Johnston.

Publications Convenor, Mrs. Oliver Higgins, reported that the discussion booklets on the new radio programme, "The Way of a Parent" were now available, and that she had many other publications on hand and also of interest to parents.

Health Convenor, Miss Minott reminded the meeting of the importance of observing Health Week, and showed a film strip explaining The Patch Test for T.B., which is soon to be carried out throughout the High School. — Mr. Emmerson announced that Lenny Salvatori, assisted by Ph. Graham had been appointed as leader for a Cub Pack soon to be formed here.

Mr. George Brennan appealed for volunteers to assist with the play to be staged for the Founder's Night meeting on February 15th.

Parents were reminded that the teachers are in great need of help at the Arena on Friday afternoon during skating periods for the younger pupils, at 2.30 p. m., in order that the pupils may get out on the ice on time.

Executive members were reminded that the next Executive meeting will be Monday Feb. 1st.

The meeting was then turned over to Ron Curry, as Chairman of the panel discussion on Citizenship. Mr. Curry introduced the subject of Citizenship by defining Citizenship and the status of a citizen, and then introduced each member of the panel, including High School Student Betty Hodgson, who spoke from the viewpoint of Citizenship as in a school, Mr. Norman Sisco, High School Principal, expressing Citizenship as related to Education. Mr. Carl Hussey, Deputy Reeve, presented the civic viewpoint, and Rev. T. Rutherford demonstrated the importance of religion in the community. The talks were humorous, brilliant and thought-provoking, and stimulated further discussion from the floor, bringing in many interesting additional points.

The panel speakers were thanked by Principal Jim Johnston.

Mr. Steinberg presented his prize of \$25.00 to Barry Bolender, as the pupil having the highest percentage in the Christmas exams in the Haliburton Elementary Schools.

Members were reminded of the small contributions toward the National Building Fund to be placed in the National Building on the tea table, and the meeting closed with "God Save The Queen", followed by a social half hour with refreshments.

"EASY DOES IT"
BY HELEN MALE

DON'T be a slave to your kitchen. With wise planning you can cut down the time spent in food preparation and, at the same time, conserve your energy.

Arrange equipment and food supplies for easy reaching. If your kitchen is divided into various areas of preparation with utensils near each area, you can save time in getting meals together.

When planning a meal, have only one dish which requires several steps in preparation. One night this can be a casserole and a sim-

RECIPE OF THE WEEK

Sausage Casserole (Serves 4-6)

1 pound sausage links
3 tablespoons water
1 No. 2 can tomatoes
1½ cups cooked rice
1 teaspoon salt
1 tablespoon chopped onion
2 teaspoons ground sage
½ teaspoon pepper

Place sausage links in skillet with water, cover and simmer for 5 minutes. Remove cover and cook links until browned. Use sausage drippings to grease casserole. Reserve 3 tablespoons drippings and combine with tomatoes, rice, salt, onion, sage and pepper. Place mixture in greased casserole. Arrange browned sausage links on top. Bake in a moderate (350°F.) oven for 30 minutes.

ple dessert. Another meal can be something broiled if the dessert is to be fancy.

When making a dish, measure your ingredients out and set on a tray. Then the dish can be put together quickly and probably uninterrupted so you won't have a chance for a mistake.

Save trips to the refrigerator by taking out all foods at one time which you'll need. Use a tray on which to place and carry them to your preparation area.
